Year 6 Elite Transition Course (10 October ~ 18 December 2020)

This course will continue to run via  and face to face lessons.

Year 6 students will start a new phase of their academic achievement at high school next year. They will be challenged by the depth and breadth of a whole range of subjects, in a way that they haven't experienced yet. Therefore, we're providing a special Elite transition course to Year 6 students for their successful high school transition next year.

We believe that by familiarising our students with Year 7 topics they have not learnt at school yet, students will become more confident and get a head start for next year's high school studies, placing them ahead of their peers. The key to our continuing academic success begins with maximum exposure to advanced course materials for our students. Please find out details of the course over the page.

Although students don't have to follow strict adult physical distancing, all our class activities will be in line with NSW Health guidelines as applicable and follow good hygiene practices including:

- ✓ strict implementation of drop off & pick up procedures
- ✓ smaller class size & asking parents to keep their distance
- ✓ continued on-site cleaning and sanitisation
- ✓ regular handwashing before & after class
- ✓ No sharing of food, drinks & stationary
- ✓ No parents inside the college unless prior arrangements are made

Please cooperate with us to provide the safest possible environment for students, teachers and staff members.

HELP STOP THE SPREAD COVID-19 AND STAY HEALTHY

- Cover your coughs and sneezes with your arm or a tissue (not your hands).
- Put your used tissues in a bin straight away and then wash your hands.
- Try not to touch your mouth or face.
- Don't hold hands with others
- Wash your hands often with soap and water including before and after going to the toilet.
- If you are sick or don't feel well, tell your teacher.

Face-to-face Class Learning – Parent Guide

We ask for you to follow the guidelines below to enable us to provide the safest possible environment during the COVID-19 pandemic. We will constantly monitor the situation and continue to adopt NSW and Australian Government recommendations as they are presented.

Arrival and Departure

- Students' arrival and departure protocols will continue as they have been for the past terms using the designated driveway in front of the campus. Staff will be on hand to monitor this situation carefully. Please drive with the utmost caution and care when on campus.
- There will be restrictions on access to the college for anyone other than the college staff and students. Parents are to please contact the college by phone or email as required.
- Staff and parents are to observe physical distancing measures by not congregating in areas inside or around the campus. Adults must keep 1.5m away from other adults.
- Due to the limited capacity in each class, attending another class to make up the missed class will not be allowed.

Hygiene Arrangements

- The cleaning of classrooms and shared spaces has increased and will continue.
- All classrooms are equipped with hand sanitising stations. Students will be continually reminded of the need to wash and sanitise their hands throughout the day.
- Prominent signage across the campus in relation to COVID-19 that covers hand washing, personal hygiene, cough etiquette and social distancing.
- Students and teachers will largely remain in the same classrooms where possible.
- Students must not share food, drinks, water and stationery. Bring your own drink bottle.

Management of an unwell student

- Students experiencing symptoms, such as fever, cough or sore throat, will be isolated in an appropriate space with supervision and collected by a parent/carer as soon as possible.
- A medical certificate is not required to return to the college after a period of illness, however students should not return until symptoms resolve.
- If a student spreads droplet by sneezing, coughing or vomiting, surfaces will be immediately cleaned with disinfectant wipes (and using gloves).

Response protocols for COVID-19 cases

- Where there is a case of COVID-19 in the college, parents and students will be notified for the contact tracing process and to have the college site thoroughly cleaned.
- Information about the operational status of the college will be notified using the text message, email and website.
- During this period, online learning option will be made available through the Cyberschool or another website to enable students to do the makeup lesson at home.
- Parents and students will be notified when the college is ready to resume onsite learning.
