Year 5 WEMG Course

Year 5 WEMG course will commence on **Saturday, 25th January**. This will require a significant commitment of **4 hours** module work each week in Writing, English, Maths and General Ability due to the nature of the advanced curriculum. In addition to having the advantage of getting ahead, WEMG course will help students build a solid foundation for the selective school placement tests and the independent school scholarship tests.

- The writing module teaches students the most efficient ways in organising writing structure with a focus on developing critical thinking and reasoning skills.
- English lesson will focus on reading skills and practising reading comprehension and multiple-choice questions.
- Mathematics lessons are essential for students to thoroughly understand mathematical theories, principles and formulas to solve problems.
- General Ability lesson covers a variety of practical, challenging and mind-stimulating questions including verbal and non-verbal reasoning.
