Year 9 Term 2 WEMS Course (17 Apr – 26 June)

Pre-Uni New College High School proudly announces the commencement of Year 9 WEMS (Writing, English, Maths and Science) Course in Term 2.

As the beginning of the school year approaches, it's time to think about secondary learning. Pre-Uni New College believes it is important to expose you to topics in advance to ensure you stay one term ahead of school. We provide detailed material and comprehensive feedback to facilitate preparation and skills in all areas of your education. This will help to build your confidence as you prepare for your school exams.

During high school, students become more vulnerable to ineffective study habits in the absence of continued guidance and coaching. Our years of successful results clearly indicate that Pre-Uni New College has the best academic formula to help your child overcome these issues.
