Year 1 EMG Course

Year 1 EMG course is designed to provide an advanced curriculum and involves a significant commitment to the module of work in English, mathematics, and general ability.

In addition to having the advantage of getting ahead, our EMG course will enable students to build a solid foundation for future assessment tests. Through English lessons, students will practise reading comprehension questions. Mathematics lesson is the essential tuition for students to understand mathematical theories, principles and formulas to solve problems. General ability lessons will cover basic concepts of verbal reasoning skills.

PLEASE NOTE

At this stage, we are planning on running the entire Term 4 course on Zoom. If lockdown conditions change, we will assess the situation again.

Please enrol before Saturday, 18th September 2021
