Year 2 EMG Course

Year 2 EMG course is designed to provide an advanced curriculum and involves a significant commitment to the module of work in English, Maths and General Ability.

In addition to having the advantage of getting ahead, EMG course will help students build a solid foundation for future exams like NAPLAN and Opportunity Class Placement Test.

- **English** lesson will focus on reading skills and practising comprehension & multiple-choice questions.
- **Maths** lesson is the essential tuition for students to thoroughly understand mathematical theories, principles and formulas to solve problems.
- **General Ability** lesson will cover basic concepts of general ability, focusing on verbal and non-verbal reasoning.

Creative Writing Course (THURSDAY)

A new Year 2 Creative Writing Course will be available from Term 2. This new course will support students' development of technical and creative writing skills.

It will cover areas including grammar, spelling and punctuation that pertain to specific text types as is required in the children's current English Curriculum.

This course will assist children to develop their narrative, descriptive, persuasive and explanatory writing skills so they can become proficient writers across all key learning areas.

Throughout our creative writing course, students will learn how to develop and improve their individual skills in:

- * Their general knowledge * Syntax * Grammar * Text structure
- * Use effective vocabulary * Spelling * Punctuation * Sentence structure

The aim of this writing course is to target students' individual needs in writing, so they can become more confident, capable and proficient writers.

It will assist students with their individual performance in all written tasks in the classroom as well as formalised tests such as NAPLAN and UNSW competitions.
