Year 6 Term 2 Transition Course

Getting Ready for High School

The transition from primary school into Year 7 is an exciting yet important step! It is a major stepping stone to becoming an adult, and it also means students will be faced with rigorous challenges ahead.

Our Special Transition Course will assist Year 6 students to build foundation skills and help them settle into their new academic environment as quickly and smoothly as possible. In this way, they can feel more

confident and enjoy their time in high school from the very start with advantages they gain from Pre-Uni New College.

"I believe a strong emphasis on developing a good foundation for speaking, reading and mathematical skills will pave the way for success in high school."

- Aidan Nguyen (2016 HSC Top Achiever, ATAR 99.90, Former Pre-Uni Student)

"In my experience, establishing a solid foundation of skills in primary school is the perfect head start to achieve success in high school because these skills are crucial to excelling in a large variety of other subjects."

- Lucinda Tran (2017 HSC Top Achiever, ATAR 99.60, Former Pre-Uni Student)
