## Year 5 WEMT Course

To align and accommodate the changes in the selective high school placement test formats, Year 5 WEMT course is introducing the new modules with its updated materials and curriculum. It requires a significant commitment of weekly module work to help students build a solid foundation for a new selective school placement test next year.

### PLEASE NOTE

At this stage, we are planning on running the entire Term 4 course on Zoom. If lockdown conditions change, we will assess the situation again.

**Enrol before Saturday, 18<sup>th</sup> September 2021 to avoid material postage delays.**

## Selective Trial Test Course (STTC)

The Selective Trial Test Course (STTC) will help students to manage their testing time efficiently, minimise errors, overcome exam nerves and perform at their optimum level in their actual exam. The course has been revised and updated according to a new test structure. Students complete two tests each week – mathematical reasoning, **thinking skills** tests in one week and reading and writing tests in another week.

This course will be delivered ONLINE for the duration of the lockdown.

### PLEASE NOTE

Due to lockdown restrictions, the STTC review will be delivered via Zoom **each alternating week (Maths & Thinking Skills tests).**

Review videos for all tests can still be accessed on Cyberschool.

## Year 5 Writing Course (Wednesday) on Zoom

Year 5 writing course will aim to develop students' technical writing skills for the new selective high school placement test and independent school scholarship test. It will also cover grammar, spelling and punctuation that pertain to various text types in the English curriculum.

Students will attempt their writing for a particular purpose and audience and to communicate ideas, express their opinions and to persuade others. The course will help them become more confident, capable and proficient writers and assist them with their individual performance in all written tasks.
